

Funding for the PE and sport premium

Schools receive PE and sport premium funding based on the number of pupils in years 1 to 6.

We believe PE and sport is a very important part of the pupil's journey through our all through school. Our funding will enable our pupils to experience using equipment that is tailored to their needs.

As Cavendish is a new all through school, the focus for this year is on buying the required equipment needed for PE lessons. Secondary school PE teachers are leading all the pupils PE lessons and the pupils will benefit from brand new and tailored equipment that is required for Primary phase pupils.

Below shows how much money Cavendish School receives and how the money is planned to be spent.
