

19 March 2020

Dear Parents/ Carers,

We have set up 'Google Classroom' as a way to set your children's learning whilst we are off school. Enclosed is a guide on how to use Google Classroom, although the children have been using it at school already so should be used to navigating the site. The children are able to communicate with their teachers through Google Classroom however this is not a platform for the children to communicate with each other.

The children will be set the following in KS2 and the tasks will vary depending on the age of your child:

Reading

- **Google Classroom**- 5 entries into the 'Reading Journal' document per week.

Maths

- **Website-based**- Times Table Rockstars (10 minutes daily)
- **Website-based**- Mathletics (Complete tasks set)
- **Google Classroom**- Three lesson guides and activities to work through

Writing

- **Google Classroom**- SPAG activity
- **Google Classroom**- Writing activity, this will be a longer task that could be completed over a few days. We would also encourage the children edit and improve their writing.
- **Website-based**- Spellzone (15 minutes daily)

Year 6 Parents

We have sent home the children's '10 Minute SATs Buster' CGP books for Reading and Maths. They can complete one of these each day. The children have also brought home some SATs style maths questions to work through.

Websites

Twinkl- free to all parents at the moment. Brilliant resources that can be printed off- use the code UKTWINKLHELPS- as well as presentations on various topics.
