

19 March 2020

Dear Parent / Carers,

Following from my letter today, we have now received updated guidance regarding who is eligible for continued provision within the school building.

Updated guidance:

For your reference, if one parent is a key worker, the government will expect the other parent to have their child(ren) at home. Single parents who are key workers will be entitled to a school place during this period.

If you are a key worker as a single parent, or both parents/guardians are key workers, and you want your child(ren) to remain in school, please complete the link below by **tomorrow at midday**, to let us know so that we organise our staff accordingly.

If you have already completed the form, please ensure that you meet the above criteria. Please update any relevant information.

As soon as we have an official date to re-open, we will communicate this with you via email and the school website. Until then, we would like to offer our very best wishes, hope that everyone remains safe and that anybody affected by this unprecedented virus makes a speedy recovery.
